MISSION STATEMENT: Time of Change is a community-based organization called to the task of educating at-risk-youth, system impacted, families, and communities in both social and emotional literacy. Through evidence-based practices participants are modeled pro-social behaviors that deter both anti-social and asocial patterns of dysfunctional beliefs and behaviors.

Time of Change are members of California Partnership to End Domestic Violence (CPEDV), and all staff adhere to their guidelines.

PROGRAMS

- Family Violence/Groups
- Parenting Classes/Child Abuse
- Youth Mentoring
- Job Development
- Therapy (Group and One on One) - Bilingual

Healing Circles

Healing our provided in a nature setting. The healing circle is a group of individuals who gather with a clear intention of healing. Participants of the healing circle are allowed to share their traumas through one-on-one introspection and group processing.
