Our mission is to advocate for abused and neglected children in the foster care system to ensure their voices are heard and their needs are met.

### PROGRAMS

Yolo County CASA has one program: we recruit, screen, train, and support community volunteers to advocate for children in the foster care system. Our volunteers are appointed by a Yolo County Superior Court judge to a child or youth and meet with them weekly. Periodically, advocates will report to the court and attend court hearings where they express their assessment and best interest recommendations to the judge.
